**Weekly Recap**

Our family theme was a great way to learn all about different families. The children enjoyed sharing family photos. Everyone drew their own families for our parade of families. We worked on number, color, and shape recognition as we made our number families. We played a family matching game, and the children had role playing different jobs of people in their families. We played letter detective, and found the weekly focus letters in our names! Thank you for sending photos, we have them in a special spot in our classroom to enjoy.
