3K May News!

Mother’s Day celebration
May 11th 10:00 am
Moms are encouraged to wear a hat.

We had a fun week exploring insects with Eric Carle books. Some of the books we enjoyed this week were The Very Hungry Caterpillar, The Grouchy Ladybug, The Very Lonely Firefly, The Very Quiet Cricket and The Very Busy Spider. We practiced our fine motor skills by using insect lacing cards and created our own grouchy ladybugs. We continued to work on number recognition skills and practiced name writing and our weekly focus letters.
We loved watching our caterpillars change into beautiful butterflies.

We had fun making our own bird feeders with a recycled item. We had fun in our sensory Earth activity with ocean & land animals.
