WP Book Fair
November 15-17

Please send a complete change of seasonally appropriate clothing to school.

We all had a rootin-tootin’ good time at the WP Roundup! Thank you to all the families and friends that volunteered to make our event so much fun for everyone involved. The children loved learning all about the farm. We washed foods that grew on a farm, tasted them and graphed our favorite. The children enjoyed creating farm scenes. We sorted animals and played a farm memory game.
