Weekly Recap
Everyone enjoyed learning about physical and nutritional health. We shopped for healthy foods, sorted fruits and vegetables, and created a fruit pattern. Everyone loved working at the juice bar making smoothies and healthy snacks. Our friends loved building strong muscles at our classroom fitness centers. We sampled vegetables and graphed our favorite one. We had fun dressing in exercise attire, and graphed our favorite place to play and exercise on the playground.

Your child may wear a costume to school. Details coming soon!
