**Weekly Recap**

All About Me was a fun theme for our friends. Everyone looked in the mirror and drew self portraits. We learned about our different feelings and how they have names. We are practicing ways to use our words to tell how we are feeling. We measured our height and created a flower garden of how we grow. We are working on name recognition, and focusing on the first letter in our names. We are learning about letters with straight lines – we practiced drawing and cutting straight lines.

**Reminders**

Please send a family photo to school next week. If you have a pet(s), please send a photo of your pet(s) for upcoming unit.

**Weekly Theme**

My Family
