What a fun week in 4K! We reviewed our focus letters, syllables, how to sort, and even made some silly patterns. We also added watercolor paint to our fall/Halloween directed drawings. We are so excited to trick or treat next Friday! We encourage all children to dress up in a costume. We just ask that there are NO weapons and that if they need a change of clothes please send them. If your child can wear clothes under their costume that will be easier for them. We appreciate all the parents that will be walking with their child on campus. Next week we will continue to do some Halloween crafts and also start our "Our Community" unit.
