The zebras and monkeys had so much fun learning about the places we love to go to in our community. This week we had an exciting visitor from the library come and read to all of us. We asked her many questions about all the fun things we can do at the public library. Next week will be our last week of our Community unit. We will be looking at the different types of communities around the world. To celebrate everything we have learned this unit, we are asking our friends to dress up as what they want to be when they grow up. This dress up day will be on Thursday, November 18th. A flyer will be coming home in your child’s folder. If you have any questions about this, please email your child's teacher.
