March 30th - No School
April 5th - Egg Drop (Rescheduled)
April 20th - Art Gallery

Please remember to send your child’s folder back on Monday (empty)!

Plants and Seeds
Artist Study

Weekly Recap
We were so excited to celebrate spring this week. We used different art techniques to create eggs and rabbits. We played matching games and guessed what different eggs were stuffed with in our science center. We are looking forward to our egg drop next week! Next week, we will begin to study seeds and plants. We are looking forward to a fun week.
Wynn and Breece working on their marbled bunny rabbits

Gemma Cate and Tulin work on their collage eggs
