## Weekly Recap

4K had a wonderful week celebrating kindness and friendship while getting ready to celebrate Valentine’s Day. We had a special guest speaker, Miss Natchez Trace (Mary Randall Ivy), who spoke to us about hearing safety and how we can keep our ears safe from noise. Next week we are excited to celebrate Mardi Gras with special guests and our Valentine’s Day party on Wednesday. Please remember to bring in your LovePacks donations for our packing event on Valentine’s Day.
4K listens to a story about loud noises and quiet noises.
We are so excited to celebrate Chinese New Year on Tuesday, February 20th at 10 am!

On this fun day, we encourage students to wear bright colors in honor of the celebration.

To celebrate Chinese New Year we will be having a small party in our classrooms where students will learn about this tradition and can make crafts, play games, and try new food!

We would appreciate any parent volunteers. If you are interested in helping, please check your email for a sign-up list.
