Chinese New Year and Dental Health
Dr. Seuss & Children as Authors

4K was full of love this week. We had such a great time at our Valentine’s Day Party. A big thank you to all the parents and family members who made this so much fun. We also celebrated Mardi Gras! It was so fun to learn about a fun tradition from Louisiana from Eden’s grandparents.

Next week, we are looking forward to learning about Chinese New Year and Dental Health. We will have a visit from Dr. Alison Ross to teach us all about keeping our teeth healthy.
