We had so much fun finishing up our community helper unit! We loved seeing all the fun things our friends wanted to be when they grow up. This week we also talked about how communities around the world can look different. We had a lot of fun creating our police badges. We used white crayon and then water colored them to reveal what we had drawn. We also filled a paper garbage truck with scraps we found around Willie Price. Our friends really enjoyed playing rhyming bingo this week and creating different kinds of towers with 3D Shapes. When we get back from break, we will begin working on our class gingerbread house. Thank you to everyone who donated supplies! The gingerbread village will be open to the public Dec. 3-17 at the Ford Center. On Tuesday, Dec. 14th, 4K and 5K students will be riding a double decker bus to visit the Gingerbread Village together. We are so excited for this opportunity! We have done this in the past and it is always a great memory for everyone! Be on the lookout for more information coming about permission slips.

We hope everyone has a wonderful Thanksgiving break!

• Please send your child with a Jacket for the playground in the morning.
• Please check your child’s folder and return on Monday.
• Please send Fall change of clothes for your child’s locker.

**Upcoming Units**
