We had an awesome week starting our farm unit, creating our gingerbread snow globes, and getting a start on our holiday projects. Be sure to ask your child all about the gingerbread structures their class worked on this week. We are excited to go on a field trip to see the gingerbread village next week. Whether you are able to meet us there or not, please communicate your plans with your child. We also had fun drawing our favorite farm animals, pretending to work at a tree farm, and playing in our gingerbread sensory bin.
