Weekly Recap

We had so much fun finishing up our community helper unit! We loved discussing all the fun things our friends want to be when they grow up. This week, we also talked about how communities around the world can look different. We filled a paper garbage truck with scraps we found around Willie Price. Our friends really enjoyed playing rhyming bingo and writing and illustrating our Thanksgiving book. When we get back from break, we will begin working on our class gingerbread house. Thank you again to everyone who donated supplies!

We hope everyone has a wonderful Thanksgiving break!
