WEEKLY RECAP

This year has flown by! We can’t believe there is only one week of school left. We are so proud of all our 4K friends, and we can’t wait to see what awesome things they do next year!

We had so much fun celebrating our awesome moms this week! All of our friends loved creating special gifts for our moms.

We are excited to see our 5k friends graduate next week. Please make sure you have turned in the permission slip so your child can go.

We hope everyone has a great summer!!
