Weekly Recap
We learned so much about apples and the apple life cycle this week. We discovered the star in the middle of an apple. We had an apple taste test and graphed our results!! We made applesauce!! Yum!!!

Reminders
Be sure to make plans to join us for “Trick-or-Treating” on campus – Monday, October 31st. Details coming soon!

Weekly Theme
Pumpkins!
We will be learning about pumpkins and their life cycle.
ELA: Setting, Characters and Main Details
MATH: Pumpkin Addition
